## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Norton Redevelopment and Housing Authority is a small PHMAP High-Performer agency located in Norton, Virginia. The NRHA manages 218 units of public housing in four developments.

The mission of the NRHA is:

To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The NRHA will accomplish its mission ideals through its goals and objectives:

- A. Providing decent, safe and affordable housing in your community.
- B. Ensuring equal opportunity in housing for everyone.
- C. Increase resident participation through resident council and/or advisory committee.
- D. To provide timely response to resident request for maintenance problems.
- E. To return vacated units with new residents in 20 days.
- F. To continue to enforce our "One Strike" policies for residents and applicants.
- G. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The NRHA's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The NRHA has assessed the housing needs of Norton and surrounding Wise county area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a small agency. The NRHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The NRHA has determined that its housing strategy complies with the state of Virginia's Consolidated Plan

The NRHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The NRHA has established a minimum rent of \$0.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The NRHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The NRHA has no plans to demolish or dispose of any of its properties. The NRHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The NRHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The NRHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the NRHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of NRHA's Agency Plan to HUD on January 14, 2000

Because the NRHA is a PHMAP High-Performer, it was not required to respond to the following Annual Plan components.

1. Operations and Management
2. Grievances Procedures
3. Designation of Public Housing
4. Conversion of Public Housing
5. Homeownership
